Newsletter °2

## SKILLS+ PROJEKT:

We are now in preparation stage

WE are selecting a Skills+ coach from the organisations, assembling teams with participants for test assignments. Starting selecting teams and participants to represent the organisation at the National Skills+ Competition.

## PALERMO MEETING

Second partners meeting took place on 18. September 2019 in Palermo, Italy. Partners discussed about the status of the project and what to do next! The Skills Plus competitions are competitions for teams and guarantee an unforgettable experience! Both individual and team skills play a part in the competitions and reflect the current situation on the labour market.
