

Goal:

To provide the adult communities of potential learners with necessary tools and support to return to the formal education system.

Objectives:

- To evaluate the actual situation of the target groups related to the formal education systems
- To establish practical ways to reintegrate the target group into formal educational system
- To pilot, refine and produce the final versions of the project outcomes
- To disseminate the project

Actions:

- Managerial activities
- Need Analysis & Field Research
- Designing and producing the didactic outcomes
- Piloting and refining activities
- Designing and producing the multimedia didactic outcomes
- Dissemination activities

Outcomes:

1. Survey Report: "Actual stage of school abandon in the countries involved"
2. Report upon the Need Analysis & Field Research: "Main obstacles to come back to school. What can be done?"
3. Intensive training course for adult educators and other interested public: "Welcoming them back to school"
4. Good practice guide for LLL Trainers, Tutors, HR responsible: "Are they out? Bring them in?"
5. Helpkit for direct beneficiaries: "I do need more school? How can I get it?"
6. Personal development tool: "From Who am I to What I will be"
7. Open webbased forum: "Back to School"
8. Educational CD-ROM: "Back to School – A new chance for all"
9. Educational website: "Back to School – A new chance for all"
10. Dissemination Tools & Outcomes

Back to School – What is it all about?
