

“Enabling young people to develop graphic design products by increasing dialogue and exchange”

POWER OF CREATIVITY

The power of creativity project brought together 5 foundation's from 4 different countries: Lithuania, Cyprus, Netherlands and Czech Republic. They met on a round table at the Flamingo Hotel from september 7th to 8th to solve youth problems together. To build a succesfull world and overcome all future crisis's, we must develop our creativity . So as Einstein says “Creativity is contagious. Pass it on.” In this way, the project aimed to encourage young people to be creative and made available to them everything they need to explore their skill

The next meeting will be held in the spring of 2022 in Kroměříž in Czech Republic

Creativity is contagious. Pass it on

With the support of the Erasmus+ programme of the European Union.
