## Self-Entrepreneurship training for Trainers (SET)

The SET partnership ([www.set4t.eu](http://www.set4t.eu)) is organizing an international conference that will take place on 24 November 2009 in Budapest, Hungary.

The SET project is co-funded by the European Commission through the Grundtvig programme.

### Conference goals

The main goal of the event is to present and evaluate the SET course - Self-entrepreneurship training for trainers developed in the Project. Additionally, it is also aimed to debate possible ways of further implementing this course, both at a national and international level.

### Participants

Participants will include trainees and trainers of the SET course and entrepreneurs, experts and other stakeholders connected to training in the area of entrepreneurship from different European countries.

### Official language

The official language of the conference is English.

### Financial support

Participants can apply for financial support to their National Agencies of the Lifelong Learning Program until 13 October 2009, to cover the cost of their participation (travel and subsistence costs).
